

COA 616 Geostatistics in Environmental Sciences

Guidance for final paper 2016

The final paper will be 25 pts in total. It is expected to include the following sections:

- 1) Informative title (1)
- 2) Abstract: No more than 300 words. (2)
- 3) Introduction: Providing background of your research. At least five research papers should be cited in this section. (2)
- 4) Objectives and/or hypotheses (1)
- 5) Data and methods: including the map of your study area (3)
- 6) Results: including tables and figures. (10)
- 7) Discussion and conclusion (5)
- 8) Citations (1)
- 9) Appendix (data, code etc.)

There is no length requirement for the paper. Good luck!
